

BOB

In F2 we have a reading incentive called BOB (borrow one book). Just bring along a book that you would like to swop from a donated book from our suitcase that our character BOB looks after!

The suitcase is situated in our reading area and children can swop their book every Tuesday in Autumn 1 and then as children become more independent, they can swop a book whenever they choose. There are so many exciting stories to choose from to share at home with parents and siblings.
