

Spring Home Learning Menu

Make a pancake. Decorate it with lots of yummy treats! Send us a photo!

As part of the links between school and home, we would like you to choose one of the following activities to share with your child during the February half term holiday. You can choose more if you like! Please bring the results (or send us a photo) back to school after the holidays so all of Foundation can share their learning together. Alternatively, you may wish to put home learning in your weekend book. Don't forget to read, read, read!

Thanks for your support! ♥ The Foundation Team.

Name and describe some plants you see; do you know what they need to grow? Maybe you could plant something new or take care of the plants in your garden.

Chinese New Year is Tuesday 17th February. This year is the year of the Dragon.

Make a model dragon - you could use cardboard tubes and boxes, playdough, construction toys or natural materials like leaves and pebbles.

Go outside when it is dark. What can you see? What can you hear? Do you know what any of the sounds belong to? Go outside on a sunny day. Can you see your shadow? Move your body to make different shapes. Can you use vocabulary like 'morning', 'afternoon', 'evening' and 'night-time' when talking about your experiences?

Make a Valentines card. Send it to someone you love. Don't forget to write your name!

Look at photos or find spring flowers in the environment such as a snowdrop, daffodil or tulip. Create a piece of art inspired by what you see.

Describe what you see, hear and feel whilst outside. Go for a walk; look for signs of late winter/early spring and take photos of things you see. Or create a weather chart inspired by what you can see out of your window.

What is your favourite poem, rhyme or song? Share it with someone in your family - you could even perform it to them.

We understand the need to respect and care for the natural environment and all living things. Can help look after a pet or plants in your home? Take some photos to share with your friend to help talk about what you did.

10 RANDOM ACTS OF KINDNESS

Give free hugs to family and friends

Donate old clothes and toys to charity

Make a card for someone who deserves it

Set the table for dinner

Send a postcard to a friend

Wash up the dishes after eating

Hold a door open for someone

Bake something delicious for someone special

Call a family member

Give a compliment

On Tuesday 17th of February, it is Random Acts of Kindness Day. There are so many ways that you can spread some kindness and positivity, and possibly make someone's day. Can you carry out a random act of kindness?
