

Bumble's Adventures!

Hello,

My name is Bumble!

I am buzzing about spending time with you and your family this weekend! I love going on adventures, visiting new places, meeting new people and reading stories. I know we are going to have lots of fun!

Please can you write about our adventure on the Bumble's Visit page in your weekend book so we can share what we have done with your friends next week? You may wish to draw or stick a photograph of our fun adventure on this page too!

Thank you for looking after me!

Love from,

Bumble x

Why is Bumble important?

What is Bumble?

Bumble is our class teddy, by taking him home with you and writing down what you did together over the weekend connections are made between what we are learning at school and your home.

What we learn:

- * Responsibility
- * Language Development
- * Early Literacy and Reading Skills
- * Personal, Social and Emotional Skills

What happens when Bumble comes back to school?

We will be using Bumble to facilitate oral language development. We will have a show and tell session where your child will be able to share with their friends what they did with Bumble at their house.

Please bring Bumble back on the next school day so we can pass him on to the next child.

What can I do with Bumble?

Take Bumble out and about with you!

Bumble will love going travelling around with you this weekend. Some places you may wish to take him could be:

- *Shopping
- *Cafe
- *Library
- *Family members house
- *Dentist
- *Friends house
- *Swimming lessons
- *Walk or bike ride
- *Park
- *Cinema
- *Party

Read with Bumble!

Bumble loves listening to stories! Perhaps you could read him your favourite story or let him join you for a cuddle during your bedtime story.

Hang out with Bumble at home!

Bumble will love being a member of your family while you take care of him. Maybe you could:

- *Eat dinner together
- *Play a game
- *Draw a picture
- *Give him a tour of your house
- *Cook some tasty treats
- *Introduce him to your pets or toys
- *Play outside
- *Jump on the trampoline together

Use your imagination. We would love to see lots of different adventures!
