

Robin Hood

Autumn 1- Can you have a go at completing these activities at home?

Make sure you bring your work in to share with the class.

Science

Go on a woodland walk and list all the different types of trees and leaves you spot.

Create

Draw and design your own sword and shield.
What would you put on your shield?

Create

Create a collage of the Major Oak using a range of materials.

Robin Hood fact-file

Collect facts about Robin Hood and Sherwood Forest and present in a fact-file.

Writing

Pretend you are Robin Hood and write a postcard from Sherwood Forest.

Reading

Share a Robin Hood story or watch a version of the film. List the main characters.

Create

Make patterns and sculptures using natural materials in your garden. Take photographs of your artwork.
