Bubble Bath

Gareth Lancaster

I emptied the bubble baths into the tub
Determined to get myself thoroughly scrubbed
The bottle had said, 'ONLY ONE CAP OR TWO'
So I poured in the lot to see what it would do!

That still didn't seem quite enough to get clean
So I followed it up with another fifteen
The three bars of soap and a dozen shampoo
And two broken bath bombs to finish my brew!

I'll cut to the chase, this did not turn out well,
As the burbling, foaming bath bubbles did swell,
It wasn't all bad, I was clean and smelled sweet,
But outside my soap suds had buried the street!²¹
