- ▶ eyeball
- ▶ sightless

Cars have made us **sacrifice** our **environment**.

Our **identity** creates **variety** in our population.

The Black Hole is not **reliable** and could leave you in another **dimension!**

Diversity is beneficial as it can **maximise** our information about each other.

You must **confide** in me and **provide** me with more details.

The severed **eyeball** was now **sightless...**
