

Lost and Found

Autumn Term 2 - Homework Menu

Can you have a go at completing these activities at home?

Make sure to bring it in to share with the class. 😊

Spellings

Complete the Common Exception Word spelling challenge on the next page.

Maths

Complete the maths problems over the page.

Penguin Facts

Collect facts about penguins and their habitat.

Draw

Draw a picture of an Arctic animal and colour it in.

Create

Create a world map and label the 7 Continents and 5 Oceans. You could make a globe or draw it on concrete with chalk and take a picture - be as creative as you like!

Explore

Go to a local area with an adult, such as, a garden, woods or park. What animals/creatures can you find and what are their habitats like? Draw and describe them.

Weather

Choose a week and record what the weather was like at the end of each day. You could draw pictures or write about it. You could even make your own weather machines!
