

Diversity Across the Science curriculum - Biology

Year group	Science Themes	Possible Diversity connections	Gender	Crossover Links	Book/Publication
EYFS	Biology	Maddie Moate	Female		Stuff
1/2	Biology 1 – Understand plants	Agnes Arber	Female		
	Biology 2 – Understand animals and humans	Steve Irwin	Male		
	Biology 3 – Investigate living things	James D Watson	Male		
3	Biology 1 – Understand plants	Agnes Arber George Washington Carver	Female Male		
	Biology 2 – Understand animals and humans	Steve Irwin Bear Grylls	Male Male		Survival building
	Biology 3 – Investigate living things	James D Watson Maria Merian	Male Female		
	Biology 4 – Understand evolution and inheritance	Mary Anning	Female		
4	Biology 1 – Understand plants	Agnes Arber George Washington Carver	Female Male		
	Biology 2 – Understand animals and humans	Steve Irwin Bear Grylls	Male Male		
	Biology 3 – Investigate living things	James D Watson Maria Merian	Male Female		
	Biology 4 – Understand evolution and inheritance	Mary Anning Charles Darwin	Female		
5	Biology 1 – Understand plants	Agnes Arber George Washington Carver Beatrix Potter			

	Biology 2 – Understand animals and humans	Steve Irwin Bear Grylls Chris Packham	Male		Little people, Big dreams
	Biology 3 – Investigate living things	James D Watson Maria Merian David Attenborough	Male		
	Biology 4 – Understand evolution and inheritance	Mary Anning Charles Darwin Alfred Wallace	Male		
6	Biology 1 – Understand plants	Agnes Arber George Washington Carver Beatrix Potter Karl Linnaes	Female Male		
	Biology 2 – Understand animals and humans	Steve Irwin Bear Grylls Chris Packham Rosalind Franklin	Male Female		Little people, big dreams
	Biology 3 – Investigate living things	James D Watson Maria Merian David Attenborough	Male		
	Biology 4 – Understand evolution and inheritance	Charles Darwin Mary Anning Alfred Wallace Jane Goodall	Male Male Female Male		Little people, big dreams
