

THE BEE EXPRESS

AUTUMN EDITION

ATHLETICS CHAMPIONS

By Memphis Hamilton and Lente Webster

On the 11th of November 2021, twelve pupils from Year five and six were selected to compete in an Athletics competition at Retford Oaks Academy against five other schools.

Participating pupils were: Memphis Hamilton, Nicola Skrzpiska, Eden Dixon, Oliver Bamborouh, Rylan Loveday, Sophie Edmond, Lente Webster Ikjot Bachaal, Daniella Willey, Jack Manning, Nick Parkin, Alfie Wadsworth.

With courage and strength, the spectacular group were placed first in the qualifying event making their school proud.

At first, they were split into two groups: group A, whom participated in triple jump, chest push and javelin and group B who participated in speed-bounce, sitting-throw and long jump. After, equipment was packed away and running tracks were laid out. The different races were: one girl one lap, one girl two lap, two girls

two lap, girls hurdle relay, girls sprint relay, one boy one lap, one boy two laps, two boys two laps, boys hurdle relay and boys sprint relay.

'I had butterflies in my stomach and my heart was racing!' exclaimed participant Jack Manning.

'It was intense!' quotes contributor Nick Parkin.

Overall, they thoroughly enjoyed the event and will be competing in the final in May

because...

WE WON!!!!

'AMAZING!!!' quotes participant Jack Manning.

AMAZING WONDERDOME

By

Hayden Hunter and Brooke Brunt

On Tuesday 12th October, Year 5 invited Wonderdome to come into school to show them the universe in 3D to finish their topic on Space.

In the Wonderdome, Year 5 learnt that the first 4 planets are made out of rock and steel (Mercury, Venus, Earth and Mars) and the last four (Jupiter, Saturn, Uranus and Neptune) are made out of gas (Hydrogen and Helium).

Also, the phenomenal Wonderdome flabbergasted lots of students when they entered the bubble tent. Since the stupendous sight of it was breath taking, they all sat down quietly and watched the astounding display.

Moreover, they also told Year 5 about the first people to land on the moon (Neil Armstrong, Buzz Aldrin and Michael Collins). Sadly, Michael Collins could not go on the moon

since he had to control the spacecraft.

Y5 said they enjoyed having Wonderdome at Langold Dyscarr Community School for the day and would like to have them come again. They say their favourite part was the Astrology part (looking at the stars and creating history, animals and people).

This is Year 5 in front of the bubble tent

Remembrance Day

By Willow Pryke and Seren Cavanagh

On Thursday 11th November, at 10:45, in our school hall, the local Reverend (Mark) came in to talk to us about Remembrance Day.

After welcoming him in, Year 6 recited the Flanders Fields poem. Shortly after this, Reverend Mark told us about the story from the Gospel of John, this was a story from the bible.

The act of Remembrance, that was told to us, consisted of Reverend Mark telling us the importance of Remembrance Day and why so many people respect it. It's too remember

the soldiers that have died whilst in service.

Soon after, we listened to the last post on the Bugle played by Mrs Bierton. Then we had our two-minutes silence followed by 'The Lord's Prayer' and we heard a blessing.

Mrs Bierton playing the Bugle for our school/community.

Following this, the children from each year group took the wreath that they had made in class outside and laid it at the school gate.

Different wreath's from all of our school's different classes.

Serlby Park Academy Visit

Seren Cavanagh and Willow Pryke

On the 29th September 2021, Y5 went on a trip to Serlby Park Academy to experience their future school! Moreover, they had a wonderful experience and tendency to learn.

Their first lesson was science where they learnt about different acids and signs and how to use them. Also, they created bath bombs and they all fizzed up until they solidified.

Their second lesson included drama. It all started with a warm up game that was acting to music and settings. Not long after this, they played a Balancing Point which also included the weather game. Following

this, they were given a tour of the school.

Y6 Art

Within this experience, Y5/6 also participated in art! They looked at how to shade in different ways and clever techniques on how to draw. With extended knowledge, they added more effects to their masterpiece.

Y6 Science

Even though Class 6 were brimmed with knowledge, they also learned about the different ways to mix liquids and acids and alkalis to their potency.

Daniella told us,

"It was really small but it was good!
With the food as well that was
amazing!"

Ellie exclaimed,

"I loved the art!"

Y5 SCIENCE

VISIT TO SHERWOOD FOREST

By Memphis Hamilton

**In October, Year 1/2 from
Langold Dyscarr Community School
went on a trip to Sherwood
Forest.**

When the children arrived, they
went on a Robin Hood walk and
visited the Big Oak where Robin
used to live. The highlight of the
walk was meeting Maid Marian and
Little John who played on the park
with them. One of the children told
me,

"One of the best bits was playing on
the park with them."

All the children were well behaved
like all children at Langold Dyscarr
Community School. Mrs Neal said,
'All children enjoyed themselves.'

It was a very sunny day, enjoyed by
all.

Year 1/2 and I

THERE'S NO ROOM AT THE INN

by Brooke Brunt,

Hayden Hunter and Olivia Thompson

The KS2 performance happened on Friday 10 December and Monday 13 December. This performance was phenomenal! Did you enjoy it?

The main actors for the KS2 Christmas Play were: Ellie from Y6 playing Mary, Elliot playing Joseph in Y6, Clayton played the Donkey, Lente played Bo Peep, for the Angels there were: Seren, Lola T, Jaylyn, Jamie-Lee, Eve and Rihanna then we had the sheep which were Jack, Liam, Riley. Then last of all, George played the Inn keeper.

Then, we had Year 5 doing their poetry (that they wrote themselves). The first poem was by Sofia, Kaiden and Michael. Next, there was Nicola, Ethan, Junie, Natasha and Lacie.

Then, there was: Hayden, Brooke, Charlie, Willow, Jessica. After that, we had Sophie, Eden, Kella and Lucas. Then we had a short break for Year 6's play. But then we had the last four groups which were: Rylan, Reggie, Lacey and Rosie. In the second to last group were Codey, Destiny, Amie, Ellie-Mai and Darcie. Then, the third to last group was Memphis, Olivia, Myles, Amelia. Finally, there was: Dexter, Rylie, Oliver, Nicole and Lexi. People said that the poetry was their favourite! For Year 5, they thought Year 6 Nativity was the best part!

Year 3/4 sang songs during the Nativity. The songs that they sang were: 'Let's Go! Let's Go!', 'King Seekers' and 'Angel Ooh'. At the end, we all sang Band Aid's 'Do they know it's Christmas?' To represent the meaning of Christmas and remember people who suffered due to COVID, the choir sang 'Merry Christmas' by Ed Sheeran and Elton John.

Covid Absence Catastrophe

By

Lente Webster

During the previous term, Langold pupils that had been absent as they had to self-isolate or other covid related occurrences, had been marked absent under the 'Authorised Absence' category.

Recently, the issue of children that had been self-isolating yet completing all the work, had been discussed amongst the head teachers of multiple different schools across the region. Unfortunately, the matter of permanent records is a government decision and cannot be changed. However, the school will no longer count it as absent and you will still get '100%' attendance providing that the only absence was covid related.

Jack Manning quotes,

'When I found out my work at home didn't count I felt a bit angry and frustrated'

'I didn't actually mind that it didn't count as I knew I had done the work.' Alicia Mills told me.

Holly Preston said, 'I felt upset that my work didn't count as I had never skipped so many days of school in my life'

'I was not happy when I found out as I knew I would no longer get my 100% attendance award' Alfie Wadsworth told me.

As you can see, there were many mixed emotions and different opinions about this matter. However, many things have been undertaken to improve them. Currently, the school does no longer count covid as 'absent' and awards will still be given as long as the only absence is covid.

Competition Page

By Seren Cavanagh and Willow Pryke

Below are some Maths Competitions for KS1 and KS2 and a wordsearch Competition for KS1 and KS2. If you would like to enter, just complete the question/wordsearch, write your name and class on the back and hand it into Miss Davison. Winners will be announced at the end of next term.

Problems of the Day 2020

Day
6

- 1 Here is how much it costs to go to the zoo.

Mr Jones and his 3 children go to the zoo.

How much does it cost them altogether?

- 2 If

$$\triangle + \triangle = 12$$

$$\heartsuit + \triangle = 19$$

What is the value of $\heartsuit$?

- 3 What are the missing numbers?

$$\square \times 10 = 40$$

$$\square \div 10 = 7$$

Problems of the Day 2020

Day 6

- 1 The table shows the ages of people in a theme park.

Age	Number of people
Under 18	126
18 - 60	195
Over 60	38

These are the entry costs.

How much money did the theme park make from entry costs?

Given that

$$\triangle + \triangle + \star + \star = 100$$

$$\heartsuit + \heartsuit + \triangle + \star = 78$$

Work out the value of the

- 3 What are the missing numbers?

$$\square \times 10 = 42$$

$$\square \div 10 = 42$$
