28 Positive comments from parents e.g. I am happy with my child's progress My child enjoys coming to this school Highly recommend this school Fantastic school My child is happy and learning well at this school If I have concerns, they will always sort it out	Thank you, these were all shared with the staff
Communication needs to be better	We have put in some time to our staff meetings for staff to be able to update on what is happening in your child's class more regularly
More extracurricular activities	We pride ourselves on our clubs being free. We are reliant on our staff volunteering to run a club after school finishes (often in their own time). We could run more clubs in the future but it would mean a cost to our parents.
Disruptive children are allowed to go out to play	We now have a lunch time detention for any disruptive pupils and a more consistent approach to managing behaviour, if your child is given a detention you will be informed by their class teacher or a member of SLT.

Many thanks for your continued support and all the other lovely comments,
Kind regards
