

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

Eligibility for Funding:

The government has provided additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education; Health; and Culture, Media and Sport. It is calculated by reference to the number of primary-aged pupils (in Years 1 to 6), as recorded in the annual schools' census.

Purpose of Funding:

Schools must spend the funding to achieve additional and sustainable improvements to the quality of the PE, school sport and physical activity they provide. Schools are free to make their own choice on the best way of using the money.

Accountability:

Since September 2013, schools have been held to account over how they spend their additional funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors Handbook' and supporting guidance, so that both schools and inspectors know how PE and sport is assessed as part of the school's overall provision.

Physical Education and School Sport at Langold-Dyscarr Community School:

PE and school sport develops our children's knowledge and skills, so that they can perform with increasing competence and confidence in a range of physical activities. These areas of the curriculum develop an understanding in children of their bodies in action and promote positive attitudes towards health and wellbeing. This enables children to make informed choices about physical activity throughout their lives.

Langold-Dyscarr Community School - Aims for PE and School Sport:

- To develop a whole school approach to the teaching of PE and sport
- To make PE and sport enjoyable and accessible for all pupils
- To embed the physical literacy, emotional and thinking skills needed to succeed in PE and sport, with its benefits across the whole curriculum
- To improve standards of achievement in PE and sport
- To promote physical exercise and healthy lifestyle choices

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

'As a member of SHINE Multi Academy Trust, we share a common goal for the PE and Sport Premium; one in which all pupils leave our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle, with lifelong participation in physical activity and sport

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

Review of last year's spend and key achievements (2024/2025)

Knowledge of different PE activities and the associated skills needed to play sport and the opportunity to engage and try new sports, particularly Girls Football and Lacrosse.

Participation in a Boccia competition with progression to the Boccia School Games qualifier where we secured first place.

The profile of PE as a subject across the whole school has been heightened due to the increased focus to achieve School Games Mark Gold Award for the fourth year; this enables us to apply for the Schools Games Mark Platinum Award in 25/26.

PE as a subject across the whole school has been heightened due to increased focus and enjoyment. Teaching staff are gaining confidence and competence with their PE sessions and developing their knowledge. Moving forward, our PE Specialist will continue to support CPD via both a team teach and progression approach. The PE Lead and PE Specialist will continue to offer a varied PE curriculum in order to continue to address staff CPD with a particular focus on ECTs.

Staff are becoming increasingly more confident in assessing pupils independently and identifying gaps in their learning as the year has progressed.

The PE Lead has worked with PE Specialist to act upon Pupil Voice and staff feedback in relation to the LTP to ensure it continues to engage and challenge pupils, and continues to support and progress staff CPD. Pupils are proud to host events which have led to a greater confidence when playing on familiar ground.

Parental engagement has increased and through PESSPA, there has been a positive impact on the community which is aspirational for other children.

OPAL (Outside Play & Learning) – we received a gold accreditation and OPAL is now fully operational at lunchtimes.

Swimming data - meeting National Curriculum requirements for swimming and water safety

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study.

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

Question	Stats	Further context (relative to local challenges)
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	88%	Barriers: Social/economic challenges
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	57%	Barriers: Social/economic challenges
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	90%	Introducing 'in house' safe self-rescue due to our location.
If your schools swimming data is below national expectation, you can choose to use the premium to provide additional top up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	N/A	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes	One member of staff has had the training and is now an instructor alongside the Nottinghamshire council staff.

PE and Sport Premium Plan – 2025/26

Key priorities and planning					
Action – what are you planning to do?	Who does this action impact?	Key indicator to meet	Impact	Sustainability	Cost linked to action
a) Hire a specialist teacher to further improve the quality of our PE, Staff CPD, School Sport and Physical Education Officer.	Teaching Staff Pupils	Key Indicator 1: Increased confidence, knowledge and skills of teaching PE and sport. Key Indicator 2: The engagement of all pupils in regular physical activity. Key Indicator 5: Increased participation in competitive sport.	Teachers' confidence and competence in the teaching of PE increases; particularly 2 x ECTs Before and during school physical activity clubs (run by specialist teachers) engage more pupils in exercise and healthy movement. The specialist teacher provides a much wider range of sports specific after school clubs. Staff confidence to adapt the lesson delivered by the specialist teacher to ensure progression.	Teachers deliver lessons independently/without needing the sustainability of a coach and pupils receive consistently high-quality PE. Such an early intervention addresses potential barrier to movement, thus empowering our youngest pupils to pursue active lives. Pupils engage with such sports independently/outside of school hours, leading to life-long participation.	£11,500

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

b) Attend Active Notts Conference	PE Lead/PE Specialist Staff Pupils	Key Indicator 1: Increased confidence, knowledge and skills of teaching PE and sport.	PE Lead and PE Specialist CPD leading to increased subject knowledge and confidence in role.	PE Lead and PE Specialist CPD. Networking.	£55.00
c) To establish and promote monitoring of PE progression and skills to provide accurate assessment.	PE Lead PE Specialist Staff	Key Indicator 1: Increased confidence, knowledge and skills of teaching PE and sport. Key Indicator 2: The engagement of all pupils in regular physical activity. Key Indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement. Key Indicator 5: Increased participation in competitive sport.	Having an accurate assessment tool that can inform future lessons and skills progression to develop the provision. Increasing staff confidence in knowledge and assessment of PE by them being actively involved in the process.	Long-lasting knowledge and confidence of teaching and assessing PE, including well-developed understanding of own year groups to plan and adapt in the future.	£1,000 Complete PE

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

d) To ensure 30 minutes active is evident across whole school in addition to timetabled PE lessons.	PE Lead PE Specialist Staff Pupils	Key Indicator 2: The engagement of all pupils in regular physical activity. Key Indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement. Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils.	All children accessing a minimum of 30 active minutes a day which will bring benefits to both physical and mental health. Supporting behaviour management by allowing for regular breaks for all children. Raising children and staff's understanding and knowledge of how physical activity can be beneficial through a programme of lessons which will develop their awareness.	Children's long-term understanding of why activity is important and how it positively impacts their mind, bodies and lifestyle choices. Competitive element of Active 30 challenge to encourage daily.	£0
e) Building on 4 years of gold award, aim to achieve platinum schools games mark	All pupils PESSPA Leadership Team	Key Indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement. Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils.	External recognition of the embedded PESSPA provision that Langold-Dyscarr has in place, and the wider impact this has on school improvement, is received. Awareness for staff, children and the wider community of the importance PESSPA.	The platinum award provides a validation for maintaining the high standards, focus and benefits resulting from PESSPA.	School Games Mark £550.00

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

f) Purchase new equipment to increase the breadth and depth of provision in PE lessons and after school clubs.	All pupils	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils.	Pupils in all year groups can take part in an increased and wider variety of activities/sport, both in curriculum time and extra curriculum time. Equipment: Golf & Pickleball	The equipment is used year on year, with additional purchases continuing to be made on a need bases following an annual audit.	£2,000
g) Hire minibuses/coaches to increase capacity to transport to inter school events.	Year 1 to Year 6	Key Indicator 5: Increased participation in competitive sport.	A high number of pupils from Year 1 to Year 6 attend SG organised events and Bassetlaw League events.	A wider variety of pupils have positive experiences of competition, so take part in even more sports as they grow older.	£1,700
h) Enter the Bassetlaw Schools' Football league, both boys and girls	Years 3 to 6	Key Indicator 5: Increased participation in competitive sport.	A greater chance for Year 3-6 pupils to play for respective football squads; providing opportunity to apply learning, to enjoy being part of a team and to represent the school.	Pupils continue to participate in competitive sports events (football) both in and outside of school time.	£30.00 subscription fee
i) Take part in most of the Bassetlaw School Games 'participation' (Festival) events.	Year 1 to Year 6	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils. Key Indicator 5: Increased participation in competitive sport.	More pupils get to compete in inter school sports events at festival level, providing a wealth of opportunities to apply learning from lessons. <u>Autumn term:</u> tbc	Pupils gain confidence from participating in such events, leading to engagement with our after-school sports provision.	Covered by c)

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

j) Take part in numerous Bassetlaw School Games 'Performance' (Competitive) events.	Year 1 to Year 6	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils. Key Indicator 5: Increased participation in competitive sport.	More pupils get to compete in inter school sports events at competition level, providing a wealth of opportunities to apply learning from after-school clubs. <u>Autumn term:</u> tbc	Pupils gain confidence from competing in such events, leading to engagement with external sports provision.	Covered by c)
k) Take part in all of the Bassetlaw School Games Inclusion events.	Year 3 to Year 6	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils. Key Indicator 5: Increased participation in competitive sport.	Pupils with additional needs have the opportunity to attend events, allowing a more diverse range of the school population to compete the inter school sports. <u>Autumn term:</u> tbc	Pupils understand that sport is inclusive of all abilities, so access more disability-based competitions as they move through primary and secondary school.	Covered by c)
l) To develop understanding of how different faiths and beliefs can impact engagement	All staff All pupils	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils. Key Indicator 5: Increased participation in competitive sport.	Support to review and improve inclusive PESSPA. Awareness of how sport and cultural clothing is understood, perceived and embraced with PESSPA.	Following inclusive PE self-assessment, relevant resources and tips will be available to continually improve the delivery and awareness of PESSPA	Covered by c)

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

m) To promote physical literacy throughout school	All pupils	Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils.	By the blending of different areas; the physical competence of a set skill, the confidence to want to use it, the motivation to want to use it, the knowledge of the activity, rules, tactic, how to be healthy, and the understanding of when and how to use it develop a value and appreciation of life long physical activity.	Support system around the child: parents, teachers, peers. Positive influences: role models, people encouraging and aiding physical activity. Creating a physical experience and a positive physical environment. Age and ability appropriate activities and challenges to achieve success and develop a feeling of worth.	Covered by a) and teaching staff.
n) Cross-curricular orienteering	All pupils Staff Community	Key Indicator 1: Increased confidence, knowledge and skills of teaching PE and sport. Key Indicator 2: The engagement of all pupils in regular physical activity. Key Indicator 3: Raising the profile of PE and sport across the school, to support whole	Giving wider opportunities for finding active learning across the whole curriculum, in turn increasing staff confidence in planning these into daily teaching. Staff CPD for newer staff who may not have been exposed to this before and therefore developing their approach to active learning. Resources are already set up in	Resources will be set up for long-term use and ability to access online will mean staff can keep up to date with the learning tasks available. Children becoming confident in accessing active cross-curricular learning and the chance to deepen their understanding through this.	£400

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

		school improvement. Key Indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils.	school so a refresher opportunity will allow the chance for it to be implemented in the Autumn Term and followed through from there.

Key achievements (2025-2026)

During 2025/26, PE continued to develop across school, with a focus on improving the quality and consistency of PE teaching. Staff adapted their approach to ensure lessons provided clear skill progression, appropriate challenge and greater opportunities for children to practise and apply their skills. This was partly in response to staff becoming responsible for ALL PE sessions due to changes in staffing and needing to find a solution to supporting them in doing so.

Through the School Games programme and our football teams, children took part in a range of competitive and non-competitive sporting events, providing opportunities to develop teamwork, resilience and confidence. We also promoted the Active 30 competition across school to encourage children to be more active throughout the day but this still provides an area for improvement in considering how active tasks can be incorporated across the curriculum.

At Langold, we also aimed to provide a wider range of extra-curricular activities, giving more children opportunities to participate in different sports and physical activities beyond curriculum PE. We also explored additional roles and leadership opportunities for pupils to increase their involvement in PE across school. This has been reviewed for 26/27 too and we are now thinking about how to involve some outside providers to continue this provision to the highest quality.

Equipment was reviewed, purchased and organised to support teaching and learning, ensuring staff had appropriate resources available to deliver engaging and progressive PE lessons. PE ambassadors will be re-assigned next year to ensure that this continues and that the expectation for equipment remains.

Regarding our understanding of supporting wider needs of children, this is an area we hope to continue to develop and wish to further research best ways to support all groups of children, particularly focusing on SEND, girls and wider religions and backgrounds.

Langold-Dyscarr Community School

PE and Sport Premium Plan – 2025/26

Activity/Action	Impact	Comments
To establish and promote monitoring of PE progression and skills to provide accurate assessment.	<i>All teachers now have access to a monitoring system – done per lesson and focuses on levelling the children based on that lesson's objective. This also falls in line with following a scheme so that the objectives are very clear.</i>	<i>to change to Get Set 4 PE for 26/27 Academic Year</i>
To ensure 30 minutes active is evident across whole school in addition to timetabled PE lessons.	<i>Staff now understanding importance of Active 30 and having a bank of ideas to pull from to promote this. Not had the most impact as not yet consistent through school so this is a further aim for next academic year.</i>	<i>Get PE ambassadors more involved in Active 30 promotion. Active 30 winners to have a prize – TBD on what.</i>
Purchase new equipment to increase the breadth and depth of provision in PE lessons and after school clubs.	<i>School PE equipment has been purchased and organised effectively so that it can now be accessed by all.</i>	<i>Back of school hall next – some indoor equipment is stored here.</i>
School Games provision – take part in more competitions/festivals.	<i>We attended many events through the School Games programme and we were able to target a wider range of pupils throughout school – backgrounds and ages. We participated in some that were competitive and some were not.</i>	<i>consider the impact of changes in funding – how will we manage this in line with School Games?</i>
