**Wishing all
our families
a lovely half-
term holiday!**

See you all on Monday 2nd, June

ARRIVING ON TIME IS IMPORTANT

We are experiencing a large number of lates between 8.40am & 9.00am.

May I remind you that the school day starts at 8.40am, children need to be in school by this time and ready to start their learning experience. As I am sure you are aware it is very important that children arrive at school on time. When children are late they may:

- Miss out on important 'settling in' time with the class
- Miss out on important information needed to complete the morning's task
- Disrupt lessons for the teacher and other children
- Take up valuable office staff time
- Feel uncomfortable and upset, especially when the school are in an assembly

The school gate closes at 8.40am

June

Monday 2nd First Day back

Friday 13th Non uniform - Bottle donations

Wednesday 18th KS1 Cleethorpes trip

Friday 20th Non uniform Raffle/tombola donations

Friday 27th Non Uniform - Chocolate donations

Please support us to improve our attendance.

Remember we **do not** authorise holidays during school time. Holidays during term time will be sent for a Penalty Fine.

Staff will be carrying out home visits, this could even be on the first day of absence and if you have supplied a reason.

**Integrity Award Assemblies are every
Friday @ 8.50am, link will posted on
DOJO to watch via TEAMS or you are
welcome to come into school to
watch in person.**

BUMBLE BEE CLASS

Bumble Bee class have been inspired by the stories 'The Very Hungry Caterpillar', 'Maisy Loves Bees' and 'That's Not My Frog' this half-term! Look how busy we have been!

HONEY BEE CLASS

Honey Bee class have been learning facts about minibeasts and how to take care of our planet this half-term! We loved going on a bug hunt, creating rock bugs, watching our caterpillars turn into butterflies and making our own wormery!

ORCHID BEE CLASS

In PE, Orchid Bee class have been practising throwing and catching skills, including tactical teamwork. We have also had lots of fun while becoming completely immersed in our pirate topic—baking pirate biscuits and using our acting skills to bring our whole class read text to life!

IVY BEE CLASS

In science, Ivy Bees have been looking at how plants take in water by a process called capillary action. Check out some of our picture from our experiment that investigated this process!

LONG-HORN BEE CLASS

Long Horn Bees have been reading 'The Willow Pattern Story' by Allan Drummond in English. We've enjoyed using our senses to describe Asian snacks, answering questions about the book and completing a classroom chopstick challenge. We have also been debating if the peasants in 1046 BC were right to betray Di Xin Shang in the Battle of Muve. In Maths, Long we have been outside learning about clockwise and anti-clockwise turns.

VE DAY CELEBRATIONS

Everyone at LDCS enjoyed celebrations for VE Day - old fashioned games, cupcake decorating, scone making, flag decorating, commemorative stone painting, book mark colouring, window art designing and a picnic lunch. What a memorable day!

VE DAY CELEBRATIONS CONTINUED
