**Wishing all
our families a
lovely half-
term holiday!
See you all
on Tuesday 22nd April**

ARRIVING ON TIME IS IMPORTANT

We are experiencing a large number of lates between 8.40am & 9.00am.

May I remind you that the school day starts at 8.40am, children need to be in school by this time and ready to start their learning experience. As I am sure you are aware it is very important that children arrive at school on time. When children are late they may:

- Miss out on important 'settling in' time with the class
- Miss out on important information needed to complete the morning's task
- Disrupt lessons for the teacher and other children
- Take up valuable office staff time
- Feel uncomfortable and upset, especially when the school are in an assembly

The school gate closes at 8.40am

April

Monday 21st Bank Holiday

Tuesday 22nd First Day back

Friday 25th Y6 Theatre week auditions

May

Thursday 1st Multi skills festival

Monday 12th SATS Week Y6

June

Wednesday 18th KS1 Cleethorpes trip

July

Wednesday 9th F2 Whitepost Farm

Friday 11th Y6 PGL weekend away

Is your child's attendance below 90%?

Please note that if your child's attendance is below 90% we can not authorise illness unless medical proof provided.

The absence will be logged as unauthorised.

PARENT INFORMATION

Our playground CCTV on rare occasions is used to resolve playground incidents. We have found this to be a useful tool.

Remember we **do not** authorise holidays during school time. Holidays during term time will be sent for a Penalty Fine.

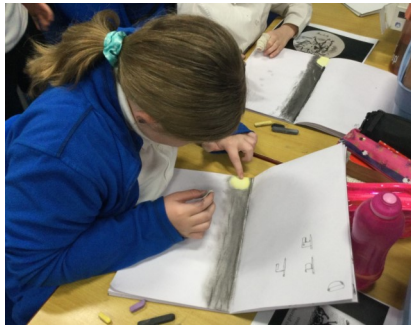

Staff will be carrying out home visits, this could even be on the first day of absence and if you have supplied a reason.

**Integrity Award Assemblies are every
Friday @ 8.50am, link will posted on
DOJO to watch via TEAMS or you are
welcome to come into school to
watch in person.**

LDCS CELEBRATING WORLD BOOK WEEK

LDCS CELEBRATING WORLD BOOK WEEK

BUMBLE BEE CLASS

Bumble Bee class have been inspired by the story of Jack and the Beanstalk this half-term. We have grown our own beanstalk and sunflower; planted a window box and hanging basket hat and made a messy mud kitchen in the woods! It has been so exciting to watch our bulbs and seeds grow! We have also been exploring the seasonal changes taking place, recording the weather and making a viewfinder necklace inspired by the artist Barbara Hepworth which we used to observe our natural world around us.

HONEY BEE CLASS

Honey Bee class have growing beans and sunflowers this half-term! We loved completing a science experiment to grow a bean in a bag. We can't wait for them to germinate! We have also been making bird kebabs threading tasty treats on some wire and then hanging them up for the birds to feast upon! In maths, we have been showing our thinking about a maths story by creating our own mathematical representations. It was a great lesson!

TREE BEE CLASS

Tree Bee class have been on a trip to Gulliver's Theme Park! We had a fantastic time immersing ourselves in fun, engaging experiences in the great outdoors, fostering our social skills, physical well-being, and a love for discovery.

BLACK BEE CLASS

Black Bees have been mind mapping, discussing and role-playing all about the Windrush Generation and why the arrival of the Windrush ship was a pivotal moment in Great British history, to create our own version of TED talks discussing this subject.

LONG-HORN BEE CLASS

Long-Horn Bee class have been out in the woods collecting plot ideas and adjectives for our adventure narrative writing that we have started to plan.

IVY BEE CLASS

Ivy Bees have had a great week back, especially in our English lessons. We have been immersing ourselves in the woods to think of adventures we could get up to in preparation for our narrative stories!
